**Stoney Creek Hotel
18011 Bass Pro Drive
Independence, MO 64055**

8:30 am to 4:00 pm

You'll learn :

- How to help students remember for the long term
- How to use verbal and non-verbal cues that raise interest and attention
- How to increase student readiness and learning outcomes by up to 40% (at least, according to the Harvard research)!
- How to isolate the main learning objectives that will have the greatest impact on student test scores
- How to reduce student stress and anxiety that prohibit learning
- How seemingly small learning gains each day compound into tremendous improvement in long-term knowledge and higher test outcomes
- How to overcome student boredom
- So much more!
